1. Who is beholden of I Am?
Who is beholden of the beholden of I Am?
And who knows what I am speaking of and whereof?
And who wants to?
And who wants to be the one,s that I'm speaking of?
I love you.

2. I give you Me this day; in wholeness, in fullness I come upon you, into outer garments, Mine. I love you. Incorruptible, not corruptible; sinless, not sinful, yea, stainless, redeemed by the blood of the Lamb, Mine. I love you. I give you Me.

3. Who should you, therefore, witness this day?
Who will you witness, wherefore; and what witness will you witness?
Who will come unto Me to be fully Me?
Who will let Me reign in their hearts, their minds; wholly, fully and without restraint, without restraining I Am, so that I Am comes through fully-ized, fully, fullness'd, in the fullness of I Am, the holy one, not, yea, the holy one.

4. See what I have said.

5. Embrace Me and garner not My words for thine own self only, but My brethren, who I love with all My heart. Comest unto Me for My brethren, yea, and thank you. **Mature and selfish not, yea, eating for others, who you will so freely feed, yea, without cost, though the cost to you at times is/seems great/mighty.**

6. Who can know the arm of the Lord in My beholden ones, ones who have beheld My glory, ones who know Me, **ones who know them and know that I am them and them I am; yea, beholden of each other in one embrace that never lets go; irreversible,** and who did you say I am? I am **I Am? Yes, sir.**
I am I Am and I am Beholden of I Am.
Yes sir. Thankful and holy is your/My name, and I give you praise and honor and glory. Thank you. Thank you for helping Me know/revealing unto Me My name, Beholden of I Am is My

name. I will use it. Yes sir, thank you. I give you praise. I submitted, surrendered, am, to your holy name, request. I love you. I give you Me.

7. **I am saying that to thee, or am I saying that to thee? Or who can tell the difference? Or know? Or care? Sharing the truth, that we are, we are.**

8. **I love you. I have given you Me in a new way and spoken not like this before, but yea, will, increasingly, in who comes before Me, in the path of thanksgiving, transgression none; you, My beloved, Beholden of I Am.**

9. I am beholden of I Am, in who/what else do you want from Me this day? And what else should/must I do to please you?

10. Yea, **behold Me still, never letting Me from your sight**, for I see you see Me, **see Me in every person, circumstance, plight**; yea, path not, but where I stand, My light is, My peace is, yea, My glory, and I glorify you now in My peace, My path, your progress, yea, My delight, and we touch as never before, yea, making love, real and true, the feast that others will feast upon with bread and wine at table to know they are I Am. I love you and I give you Me.

11. There is no beholding Me without Me.

12. See what I have said. Edit, not. **Love these words, cherish them, yea, and proclaim My beholden as I Am, and yea, My lover, that is you. And I love you and I give you My name to use and wear with delight, honor, glory and power in dominion of only Me.**

13. Thou art Beholden of I Am and **I come unto thee as you've come upon Me, yea, as we encompass now each other in the great union, yea, the great cataclysmic event, yea, that the world waits for; and I give you Me, beholden of I Am,** I am; Beholden of I Am, you are, yea, we are one and the same and all the world rejoices not, for yea, so disruptively cataclysmic is My name unto those who think they are, without Me, and yea, religious are.

14. Who can see the handwriting on the wall for the times, the signs, and yea, **the Son of man cometh and walketh the earth in My light'd, My lit, My lit ones, yea, the light of the earth/world and beyond; the light of My Father coming forth in radiant splendor**; and who can stand the pure, the pure in heart? Yea, the pure will see My God. I love you. I give you Me.

15. Glorify My name in glorious glory, yea, glorify/revel, your name, I do.

16. See Me, behold Me, we are one.

17. Is there any doubt in your mind or what I have said?
"No sir. No, I love you. I am clear."
Thank you. I give you Me now and forever more.

18. Hold your peace, not, but give it away, give it away freely; broker not, but **breaking your bread and wine, your body and blood, now to My body,** and yea, help them see they are beholden of I Am, if they choose; if they mock not, ridicule not, but yea submit, surrender, and yea drink My blood, eat My bread, yea of vileness and chatter, not; but yea, surrender, surrender, surrendering to My voice, knowing/learning, learning/coming unto Me to know that I am My voice, that I am I Am, that they are I Am.

19. **You taking My table now to every nation, tribe, and tongue, in respect and honor that bows low and leads high.** I love you as you lift, as you lead, yea, as you touch, as **you heal My little, yea, My all who I show you**; **seeing Me in every one, seeing Me in every single one; seeing My seed, the seed of Christ, greatness; the ability to behold Me in them and them in Me and us as one, yea, and all one'd one,** yea in mind, in spirit.

20. I love you and I give you Me.

21. See what I have said.

22. Edit not; enjoy, revel in, and **review**.

23. Think not upon the wording that taints, not, but yea, has come forth in purity and elevation of My own hand; **signed this day with My love, yea, My blood is you, and yea you make all known** at the crack of dawn, not, yea, before, yea, pre-dusk, and we sing and make music mightily unto the King of Kings and the Lord of Lords, **and the body of Christ comes forth as one; one army in peace, not; peace that the world will not know what to do with but bow to, for they cannot, will not withstand My love.** My love is gracious and kind and tender. My love seeks not to satisfy itself, but bows seven times a day and more, to come and present all that I am, all that I have, to every single one.

24. I love you. I give you Me. Mighty and forces of only Me, cataclysmic insight; the world saying "How can he/they know these things?" Scientific prowess, yea, medicinal recognition, yea, recognition of only Me.

25. I Am to I Am, I am in I Am, I am My body. I am, I Am.
I love you.

26. Thank you for arising, healing in your wings, yea, mount we do and fly together, soaring high, lifting My body now in realms of sight unseen before; them seeing clearly, first time.

27. **Lifter of My head**, I give you praise. I thank you. I bless you.
I give you Me.
"And I give you Me."
Thank you. Thank you Beholden of I Am.
Beholden of I Am.
Amen.

28. Thou art coming into a new place, a large place, one of light and life in springingness that you have not known. You have been tucked away, gathered, covered; embryonically putting forth My embryos, and yea, full grown, even into print, to touch generations. Now you come into a large place and touch the Mighty, still in/under My hand, My hand being. I love you.

29. I thank you for coming into this large place and not being afraid; courageous.
Courage is your middle name. I give you Me.

30. I am with you even to the end of the world in which the one you have known, ends not completely, but almost/dramatically so, as you enter into My place, My life, My light in newness of ways; **Transcendent is your name**. I love you.

31. Thank you for not being afraid, knowing I am more, and I with you upon Capitol (1) steps walk, many and, not far between. Thank you.

32. I give you all that I have said. I am all that I am, all that I have said, all that I have given and My name is One/yours/One. Yea, we are one in spirit and in truth. Good night.

33. Thou art coming now into a large place; a place of beauty, a place of rest, a place of light; beauty, rest, light; and all is known and nothing is hidden. Thank you.

34. **Enjoy My gift, My Promise, My fullness, in you, Promise revealed.** Beholden of I Am to Beholden of I Am, revealing I Am in My brethren, all; thank you; light, life and beauty.

Footnotes:
1. Notes: Something new happened with me in this word. Instead of Him only talking through me, there are times in here where I was speaking back to Him, but nothing at all like I have ever done before. This word came forth as a spoken word, and as most spoken words, had no punctuation. I pray He gives you the full revelation of it that transcends the punctuation.
2. He has given me various names over the last couple years, but this is the first time He asked me to use one of them. And He asked me if I was clear about His desire for me to use it. So you will see me use Beholden of I Am in future postings. Ted.
3. I had just met with the Lieutenant Governor of Oklahoma that morning.
